3:00 PM Extreme Planets

Saturday

11:00 AM Secret of the Cardboard Rocket
1:00 PM BIG
3:00 PM Extreme Planets

Sunday

2:00 PM Secret of the Cardboard Rocket
3:00 PM Extreme Planets

Extreme Planets: For ages, humanity has wondered whether we are alone in the Universe. Fifteen years ago we were unaware of planets outside our solar system, but today these “extrasolar” planets appear to be quite common. As the search continues, the possibility exists that one day we might find life elsewhere in the Universe, born in the light of another sun. Join us in the adventure as we explore Extreme Planets.

Secret of the Cardboard Rocket: Join two children, Bonnie and Marcus, on a magical journey through the Solar System, aided by a talking astronomy book, a cardboard rocket, and a vivid imagination. Take an up close look at all of our planets and learn the secret that makes this entire journey possible. Great for young children and their families

BIG: The Universe is Big, but how Big is Big? Journey to the farthest observable reaches of the universe to find out! Computer animation, claymation, laser graphics and a surround sound musical score bring a really BIG subject down to Earth.

Notice: Shows are subject to change. Seating is for 110. Admission and seating is on the basis of first-come, first-served. Seating may not be available for all showings. Visitors must be seated before presentation begins. No entry after doors are closed, late arrivals attend next presentation. Please, no food or drinks allowed in Planetarium. Contact the Planetarium to confirm shows and information at (918) 834-9900 x400.

On certain days, other planetarium presentations may be offered due to group reservations. Inquire at the front desk about additional shows which may accommodate general admission participants.
